March 7, 2007

Dear Valued Customer,

The i686 product line is now entering its End Of Life phase due to the discontinuation by AMD of the SCx200 CPU component.

The affected products are:

CM-i686B (686CORE)
CM-i686M
SB-i686

CompuLab offers two options for continuing production with the i686 line - Last Time Buy or Components Stocking. The terms of both options are described on the "Life Cycle" page on CompuLab's web-site:

<http://www.compulab.co.il/sales-and-support/life-cycle.htm>

Please carefully read this web page.

Last order date (cards and/or components) : 15-Jul-2007

Last delivery date (cards) : 30-Dec-2007

CPU Stocking Price : \$35. Please be advised that other components may also require stocking in the near future.

Last time orders cannot be canceled or returned and they cannot be modified.

Please don't hesitate to contact me if you have any questions.

Best Regards,

Daniel Hershtal
Sales Coordinator, CompuLab Ltd.
